## DONATE TODAY!

As we look forward to planning this educational summit, we need your help.

Sponsorships are available. We have a goal of raising \$25,000 by June 1, 2023.

# SPONSORSHIPS

## **SCHOLARSHIP AMOUNTS**

Your donation of \$3000-\$5000 will go directly towards the end of week scholarship awards. Your logo and company name will be printed on the oversized check awarded to a student. Your logo and name will also appear in all materials related to the scholarship.

## **AWARDS CEREMONY**

Your donation of \$3000-\$5000 will help fund the awards ceremony dinner for 10 students, CCA staff, and top sponsors. As a top sponsor, you are invited to attend the awards ceremony to be held in Orlando, FL. Your name/logo will be displayed as a major contributor.

## **TOURS AND TRAVEL**

Your donation of \$2000 will be put towards our detailed itinerary. We plan to travel to numerous cities and destinations to give students a holistic experience of our state and what it has to offer. This donation will cover admission fees, travel expenses, and more. Your logo will be displayed as a major contributor.

## **MEALS & ACCOMODATIONS**

Your donation of \$2000 will fund the operating portion of this summit. Feeding and housing 10 high school students is no small feat, and the importance of this sponsorship should not be dismissed! Your logo will be displayed as a major contributor.

## **GENERAL DONATION**

You may choose your own contribution amount. Every single dollar will go towards the Youth Scholarship Program. We thank you for your generous donation.
